

Exploring Ecospirituality Harmony Week Event

Free evening seminar - Brisbane, Tuesday 17th March 2015 - 5.30pm for a 6pm start
Centre for Interfaith & Cultural Dialogue, N35, 170 Kessels Road, Griffith University Nathan

The message of Harmony Week is 'everyone belongs'. We would like to invite you to join us in an exploration of the idea that everyone belongs to cosmos, earth and spirit... that we all have this in common, and that this sense of belonging can bring us together. This is a participatory seminar, in which we will work in small groups, and then rejoin the larger group to share stories of our own experiences and ideas for nurturing this sense of belonging.

This event is part of a quarterly seminar series held in Brisbane called 'Exploring Ecospirituality', hosted by the Australian Earth Laws Alliance (AELA), WiseEarth Education, Earthlink and the Griffith University's Centre for Interfaith & Cultural Dialogue.
