

# Exploring Indigenous Spirituality

Afternoon seminar - Saturday 3rd December 2016, 4pm to 6pm  
Northey Street City Farm, Cnr Northey and Victoria Streets, Windsor, Brisbane

Spirituality can and does define many of us - but what is spirituality and how is it described by Aboriginal people? Join us for a special afternoon of discussions, to learn about spirituality from the perspective of the world's oldest culture - the indigenous peoples of Australia.

## Guest speakers:

- Michael Williams, from the Goorang Goorang people of South East Queensland
- Ross Williams, from the Bindal/Juru people of the Bowen to Townsville Region

Hosted by Emma Brindal and Michelle Maloney.

This event is part of a regular seminar series held in Brisbane called 'Exploring Ecospirituality', hosted by the Australian Earth Laws Alliance (AELA), WiseEarth Education, Earth Link, Earth Charter Australia and the Griffith University's Centre for Interfaith & Cultural Dialogue.
